The County of Riverside was created from parts of San Diego and San Bernardino counties, after voters in the area approved the formation of a new county by over a 70% margin on May 2, 1893, with the County Seat to be located in Riverside, California. One week later, on May 9, 1893, the Board of Supervisors filed the final tally of votes forming the new County. The County of Riverside celebrated its 125th Anniversary on May 9, 2018.
