HOW TO OBTAIN A MARRIAGE LICENSE

1. Both parties **MUST** be 18 years of age or older. (Family Code 301) If one or both parties are under 18, then a court order for the minor must be obtained before a license can be issued. This also applies to emancipated minors. The court shall, as part of its order, require the parties to such prospective marriage of a minor to participate in premarital counseling concerning social, economic, and personal responsibilities incident to marriage, if such counseling is deemed necessary. Application for this order must be made through the Probation Officer of Riverside County. Further information as to requirements will be provided upon request. (Family Code 200 and 301 through 304)
