- ◆ **Please check the type of marriage license you would like to apply for:**

- License and Certificate of Marriage (VS 117)** — This is the standard type of marriage license. This type of marriage license requires the signature of at least one witness and one person solemnizing the marriage. With a **Public Marriage License**, you may be married anywhere in California in the presence of at least one witness, and your marriage must be solemnized by a person authorized to perform marriages in California as provided for in Family Code Sections 400-401.
- License and Certificate of Marriage for Denominations Not Having Clergy (VS 115)** — This type of license is used for the recording of marriages for members of religious societies or denominations that do not have clergy for the purpose of solemnizing a marriage.

Certified copies of the marriage license and certificate may only be issued to the couple. With a Confidential Marriage License, you must be married within the state of California. The couple **MUST** reside at the same address. No witnesses are necessary for the marriage ceremony. The signatures of the parties in fields 23 and 24 affirm that they meet the requirements to receive a confidential marriage license.

IMPORTANT: You may not amend the marriage license after it has been issued or add or change the name you wish to be known as after you are married. The name you indicate on the marriage license application will be your name on the marriage license/certificate and cannot be changed by the County Clerk. Any changes or corrections to the name after the marriage license has been issued will require a **COURT ORDERED NAME CHANGE. If you have any questions, please consult with an attorney *prior* to applying.**

We, the undersigned declare that the information on our marriage license is true and correct, and understand that any mistakes or corrections to the New Name fields (30A-31C) on the marriage license will require a **COURT ORDERED NAME CHANGE**.
